Win Tickets to PAX East!

Thanks for downloading our first Hob-themed coloring book! You're already well on your way towards winning a ticket to PAX East. Here's what's next:

- 1) Fill the images with color! Print them out and color them with crayons. Open them up in your favorite image editor and paint them. It's up to you.
- 2) Do one page or do them all. Enter as often as you like.
- 3) Post your entries as replies to our reddit thread in /r/pax. You can find the link in our blog at hobgame.com.

We are accepting entries until 2pm PST on Tuesday, Feb 21, 2017. Winners will be announced within a day or so after the contest closes in the reddit thread. Good luck!
